Issue 1007

PWeR[®] stands for Personal Wellness *electronic* Record[®]. This 21st century technology solution is a new breed, intelligent healthcare information platform that hosts medical records and permits interactive use. Medical records follow the patient, giving every PWeR healthcare provider that sees a PWeR patient access to all the information needed to assist in their diagnosis and treatment plan. Providers can access a patient's entire medical record in one glance. For more information, visit www.PWeR.com or contact Noel Guillama, Chairman 561-904-9477 NGuillama@PWeR.com

CME Requirements for Relicensure

The Florida Department of Health in conjunction with the Board of Medicine and the Board of Osteopathic Medicine sets the CME requirements for physician licensure in Florida. Each Board specifies a certain number of hours, including a few mandatory topics, that must be completed within each two year license term. Half of Florida allopathic (MD) licenses expire January 31st of every even-numbered year and the other half expire January 31st of every odd-numbered year. All osteopathic (DO) licenses expire March 31st of every even numbered year. Visit

www.FLhealthSource.gov to verify a Florida license or confirm a licensure expiration date. Choose Licensee/Provider, then License Verification.
