Now hiring!
Pediatric Subspecialty Physician Opportunities in Palm Beach County

Nicklaus Children's Hospital (formerly Miami Children's Hospital) – a 289-bed freestanding children's hospital and Level III trauma center - and Pediatric Specialists of America (PSA), the physician-led multi-specialty group practice of Miami Children's Health System, are expanding their burgeoning footprint in Palm Beach County. Multiple opportunities for pediatric specialists and subspecialists are available, including Allergy & Immunology, Endocrinology, Gastroenterology and Genetics.

Join a phenomenal team that brings lifelong health and hope to children and their families through innovative and compassionate care. Competitive compensation and benefits package.

Qualified candidates please contact Joyce Berger, Physician Recruiter at 786-624-3510 or joyce.berger@mch.com.

Palm Beach & Martin Counties

On May 17, 2017, from midnight to midnight, Palm Beach County Medical Society Services is participating in the Great Give Palm Beach & Martin Counties, a 24-hour online giving event led by the United Way of Palm Beach County, Achieve, Nonprofits First and United Way of Martin County. Great Give 2017 is designed to raise as much money as possible for local nonprofits in just one day! Last year, thanks to generous donors

like you, we raised more than \$20,000 for Project Access and PBCMSS programs. This year, we know we can accomplish even more – will you join us?

This community-wide event celebrates the spirit of giving and the collective effort it takes to strengthen our community while raising critical funds for hundreds of local nonprofits serving every need. Plus, each donation made during the 24-hour period will be amplified by bonus pool dollars and hourly prizes!

Your donation will go a long way in helping us provide access to health care, launch our physician wellness program and support disaster services. We hope you will consider donating to the 24-hours CAN change our community! [Please click on this link](#)

[FMA successfully defends medicine during 2017 Legislative Session](#)

During the recently concluded Legislative Session, the FMA made significant strides for Florida physicians and prevailed against bills that threatened the practice of medicine. The FMA legislative advocacy team tracked 241 bills and many amendments of importance to you and your patients. [Click here](#) to learn more.

[Let Your Voice be Heard - PBCMS Town Hall Meeting](#)

PBCMS will host a Town Hall Meeting on Wednesday, May 24, 2017 at Lost City Golf Club - Formerly Atlantis Golf Club, 301 Orange Tree Drive, Atlantis from 6-8 pm. Free for members - \$35 guest and non-members. [Click here](#) to register online.

[Heroin-related deaths skyrocket as Palm Beach County leads state](#)

Fentanyl is now killing more Floridians than any other single drug, with Palm Beach County leading the state in deaths caused by the powerful opioid, [according to a report released Friday](#) as state lawmakers struggled to pass a bill to clamp down on fentanyl abuse. Palm Beach County also led the state in deaths caused by heroin, according to the Florida Medical Examiner Commission's annual interim report on drugs found in deceased people — a report released just two days after Gov. Rick Scott declared a public health emergency to fight the opioid epidemic. [Click here](#) for full story.

[Call for Resolutions and Nominations for Delegates to FMA House of Delegates](#)

Did you know that Palm Beach County Medical Society has one of the largest delegations to the Florida Medical Association and the American Medical Association? Our Society is respected for its strong leadership in representing physicians and addressing policies impacting our patients.

What issues are affecting your practice at this time? In order to have your voice heard, we encourage you to serve as a delegate in the House of Delegates or submit a resolution. Nominations are now open for physicians to serve as Delegate for the FMA Annual Meeting to be held August 4 - 6 at the Loews Sapphire Falls Resort at Universal Orlando. This is an excellent opportunity to join with your colleagues in shaping the future of medicine. Resolutions must be submitted no later than May

10th. For additional information [click here](#) or contact Katherine by email to katherinez@pbcms.org or by phone 561-433-3940 x106.

AMA Launches New Health System Reform Site

In response to the recent introduction of the [American Health Care Act](#), the AMA has launched [PatientsBeforePolitics.org](#), an online platform that aims to educate and engage patients and physicians in the current health system reform debate. The site will directly put you in contact with your lawmakers aimed at targeting specific reform efforts and help ensure legislation will improve health insurance coverage and health care access. As the health system reform debate evolves, so too will [PatientsBeforePolitics.org](#). Future phases will include additional content and interactive features designed to engage site visitors.

ALERTPBC

Palm Beach County's Emergency Notification System is used to notify you about imminent threats to health and safety. Administrators send notifications regarding severe weather, flooding, gas leaks; police activity; and more. To sign up, [click here](#).

Stay up to date on the latest on Congressional Health Reform

[Click here](#) for Kaiser Health News, a nonprofit news service committed to in-depth coverage of health care policy and politics. They report on how the health care system — hospitals, doctors, nurses, insurers, governments, consumers — works.
